What can I do with my card?

Once you have an available balance on your Starchoice Card, you can start spending it!

It is with the Starchoice Card you spend your converted reward points and promotional wins that have been loaded onto your membership card. In this way, your card works like a financial passport for taking your reward points and promotional wins outside of the club to spend as a dollar balance at any merchant in Australia that accepts eftpos, subject to merchant discretion.

Unlike traditional gift cards, with the Starchoice Card, you can load your converted reward points and promotional wins onto your Card. The Starchoice Card gives you the freedom to spend where you choose.

All cards carry a \$5,000 AUD limit. This means you can load funds and spend the balance as often as you wish, as long as the balance doesn't exceed \$5,000 at any one time. There are no credit checks required, the card is not linked to your personal bank accounts, and is valid for up to 3 years.
